

# NORTH CALDWELL PUBLIC SCHOOLS

## *Board of Education Connections*

### 2017-2018 School Calendar Approved

At its Public Board meeting on Tuesday, January 31, 2017, the Board of Education approved the school calendar for the 2017-2018 school year, which you can view by clicking [here](#). Please note that school will begin for students on Thursday, September 7, 2017.

This calendar was developed in consultation with the sending districts, West Essex Regional High School, and staff. It includes four emergency days and is subject to change at the discretion of the Board of Education.

### Classroom Highlights

- **Mrs. Wozniak's class** was very excited to share their pizza projects to celebrate the 100th day of school.

- Students in **Mrs. Edwards, Mrs. Armstrong, and Mrs. Icker's first grade classes** happily celebrated the 100th day of school together by sharing creative hats they made.

- The students from **Mrs. Agnellino's Kindergarten class** partnered with the students from **Mrs. Kessler's Second Grade class** to create Valentines for the Veterans at the VA Hospital in Lyons, N.J. Shown here are the children holding their Valentines with their buddies.

## **Board of Education Engages in Long-Range Facility Planning**

At recent meetings, the Board of Education has discussed the long-term capital requirements of our schools in light of aging buildings and potential demographic changes within our community. Consideration is being given to the possibility of major capital projects, including possible expansion of both schools. The Board, in cooperation with our architectural firm, is in the process of compiling and reviewing

a list of its long-term needs.

The Board also recently updated its demographic study to reflect the increase in the number of homes in the Borough. A copy of the presentation to the Board on the results of that update can be found [here](#).

As we advance through the planning process, the Board will engage the community through a number of mechanisms to obtain feedback and opinions on the options available to the community. Any major expansion would be presented in a referendum, which requires a ballot vote through the election process. Long-range facility planning will be a primary focus of the Board over the next 12-36 months. If you are interested in this important topic, please join us at our regular meetings.
