Board of Education Connections

Community Open Forum on School Expansion - May 31

Please join us on Wednesday, May 31st at 7:00pm in the Grandview Cafeteria for the second Community Open Forum regarding the expansion of our schools.

Over the last year, the Board of Education has discussed the long-term capital requirements of our schools in light of aging buildings and expected demographic changes within North Caldwell. The Board, in cooperation with our architectural firm, has compiled and reviewed a list of the District's short-term and long-term facility needs and developed a number of school expansion options for consideration.

At this Open Forum, the Board will share additional updates with the community and gain input and feedback before the Board makes any capital or long-term planning decisions. Please plan to join us to be informed and to share your perspectives with the Board.

Enrollment Instructions for Subscription Busing for the 2017-18 School Year

The North Caldwell Board of Education will once again offer a subscription busing program for the 2017-18 school year. Under this program, children who live more than two miles from their school will continue to be bused without charge, and children who live two miles or less from their school will be required to pay a subsidized cost to receive busing. If you live more than two miles from school and your family is entitled to busing, you have already received a letter from the Board of Education. Please click [here](#) for Frequently Asked Questions on the subscription busing program, which we encourage you to review as you complete the application process.

All families that are interested in purchasing subscription busing for the 2017-18 school year must register and pay for your seat on the bus by **June 15, 2017**. The transportation company will need time to properly implement the program once subscription levels are known. **This is the final deadline; we cannot provide any extensions.**

Please go to <https://ncboe.eresctransporation.com/> and complete your application for subscription busing. As part of the application, you will be asked to select your

top two choices for bus stops. You can access your current bus stop assignment by logging into your account on the [Genesis Parent Portal](#).

The cost for busing is \$450 per child for the entire school year, with a maximum charge of \$1,000 per family. The charge for an a.m. or p.m. only route is \$300 per child. One-way busing is subject to availability. Payment can be made via Credit Card, PayPal, or Check.

All payments must be received no later than June 15, 2017.

If you have questions about the subscription busing program, please contact the Essex Regional Ed Services Commission:
