

NORTH CALDWELL PUBLIC SCHOOLS

Board of Education Connections

Happy Thanksgiving!

The North Caldwell Board of Education would like to wish everyone a very happy Thanksgiving!

Classroom Highlights

- **Mrs. Clutterbuck, Mrs. Toth, and Mrs. Tarantino's classes** got together to listen to, read about, and dance along to the poem, "Five Little Pumpkins Sitting on a Gate." The students worked together to recreate the image of the pumpkins sitting on a gate. They then reenacted the poem together with handmade pumpkin figures. All had a great time!

- **Mrs. Castiglia, Mrs. Shay, Mrs. Tarantino, and Mrs. Toth's classes** got together to listen to a story about the skeletal system. They danced to a fun skeleton song about our bones in our bodies. Finally, they made skeletons out of macaroni and counted them. The Kindergarten students worked with their 3rd grade buddies to create these unique creations!

- The students from **Mrs. Agnellino's kindergarten class** created turkeys with the students from **Mrs. Kessler's second-grade class**. Shown below are the children with their buddies.

- Congratulations to **Mrs. Norton & Mrs. Troiano** for passing the Google Training for Educators Level 1 and Level 2. The third grade students benefit from their teachers' training by using Google Apps For Education. Students create and learn through Google Docs, Slides, Forms, Sheets and Google Classroom.

Board of Education Engages in Long-Range Facility Planning

At recent meetings, the Board of Education has discussed the long-term capital requirements of our schools in light of aging buildings and potential demographic changes within our community. Consideration is being given to the possibility of major capital projects, including possible expansion of both schools. The Board, in cooperation with our architectural firm, is in the process of compiling and reviewing a list of its long-term needs and updating its demographic study to reflect the increase in the number of homes in the Borough. As we advance through the planning process, the Board will engage the community through a number of mechanisms to obtain feedback and opinions on the options available to the community. Any major expansion would be presented in a referendum, which requires a ballot vote through the election process. Long-range facility planning will be a primary focus of the Board over the next 12-36 months. If you are interested in this important topic, please join us at our regular meetings.

District Calendar of Events

NCBOE maintains a detailed calendar of events on the district webpage that includes all school activities. Check out what is happening in our district by clicking [here](#).

North Caldwell Board of Education Meeting

December 13, 2016
Grandview School Cafeteria

The next North Caldwell Board of Education meeting will be held Tuesday, December 13, 2016, at 7:30pm in the Grandview School cafeteria. The agenda for the meeting will be posted on Friday, December 9. For a complete list of currently scheduled Board meetings, click [here](#).
