

Incoming 2024-2025 Kindergarten Orientation

We are inviting our incoming Kindergarten students and their parents to the Kindergarten Orientation on Thursday, May 2, 2024 at 9:30am in the Grandview Cafeteria.

The children will be split into two groups. One group will go on a bus ride while the other group will visit a Kindergarten classroom. Then the two groups will switch.

The parents will stay in the cafeteria where various Grandview program people will speak. You will be asked to sign up for your child's assessment scheduled for May 15th, May 16th, and May 17th.

We look forward to seeing you.
