

It is with tremendous pride that we announce that Gould School was just named a National Blue Ribbon School of Excellence for 2020 by the U.S. Secretary of Education, Betsy DeVos. This prestigious award is presented annually to a small, elite group of high performing schools. We are extremely proud that Gould School was recognized as an Exemplary High Performing School ranking as one of the top schools in the nation.

This coveted award affirms the hard work of our educators, families, and the entire North Caldwell community in creating a safe and welcoming school system where students feel valued and are able to engage in rigorous and challenging curriculum. While this award is being presented to Gould School, our entire school community, Grandview as well as Gould, deserves to be congratulated as this award could only have been attained due to the efforts of all of our faculty, staff and parents who have played a critical role in preparing our children to attain the highest level of achievement that this award signifies.
