Dear Parents and Guardians,

It is the sincere pleasure of the Gould School staff and myself to invite you to attend our annual Back-to-School Night on Tuesday, September 12th. The program is designed to provide you with an opportunity to become informed about our curriculum and programs, meet our staff, and gain insight into your child's daily routine. Please note the schedule listed below for the evening's format as you will be following your child's regular *Tuesday* schedule. We ask that all parents report directly to the gymnasium as the general presentation will begin promptly at **6:30 p.m**. At the conclusion of the general presentation, all parents will be directed to their child's homeroom at which point you will receive a copy of your child's schedule as well as have an opportunity to tour the classroom. Since you will be following your child's schedule for a specific day, you will meet all of your child's academic teachers but will not have an opportunity to meet with all of the specialists.

Please remember that Back-to-School Night is designed to provide a general overview of programs and expectations. If you have specific questions regarding your child, conferences are scheduled for Tuesday, October 26th, and Thursday, October 28th. Both of these days will be one-session days with dismissal at 12:45. As always, if you wish to speak with any of your child's teachers regarding their school performance or general program information prior to or after those dates, please contact the teacher to set up an appointment.

Our staff and faculty welcome the opportunity to meet with you on the 12th!

Chris Checchetto
